

PY 2008-2009 Approved Additional Retrospective Questions – OPTIONAL

Based upon suggestions from Grantees provided in grant applications submitted for PY 2007-2008 and PY 2008-2009, the following items have been approved as **OPTIONAL ADDITIONAL QUESTIONS** that may be used for the retrospective surveys. These items **DO NOT REPLACE THE REQUIRED QUESTIONS** on the retrospective surveys. Add these items to your participant survey if you are targeting any Optional Objectives. The items are listed in the same order as the Optional Objectives. **You can use any or all questions for the particular survey type.** Select the items for the objectives that your program will target, and renumber the item(s) accordingly. Be sure to leave the number that is in parentheses beside each item (i.e., (19), (20), etc.), so that we can easily identify the original number of the item when entering data from your surveys. Put the selected item(s) from the applicable list on an additional page attached to your survey.
